**IN CASE YOU DIDN'T READ LAST WEEK'S WUW, PLEASE READ  
MARJORIE'S IMPORTANT UPDATE BELOW RE DUES!!!**

HUGE thanks to **Marjorie** for the countless hours she has spent crunching numbers, to **Lynn** for collecting and keeping track of the dues, and to the rest of the Team for their continuing efforts to help keep our Chorus going with minimal cost to us all during this "hibernation" time. **BRAVO!!!**

Being able to move our Chorus storage to **Larry Moine's** warehouse helped enormously (thanks again, **Rachel!**) Thanks to **YOU ALL** too! Your collective willingness to keep up with payment of dues to this point has enabled the Team to be able to make this decision. What a truly fabulous group we have!

I'm thrilled that we're all hanging in and hopefully STAYING WELL. (Whatever happens, stay well!) I know we're all looking forward to the day when we can get back together "in person" and resume "normal" life (whatever that was?) The finest scientific minds on the planet are busy working on a way to make that happen, so, as I mentioned last week, I'm choosing to be optimistic :-)

Hopefully by then we'll still recognize each other! I'm trying to decide whether to bother coloring my hair or to keep letting the gray streaks run amok? The last time I conducted an in-home hair dye experiment was many years ago. I completely failed to make a difference to my personal appearance but did successfully manage to redecorate the bathroom (and the towels got a funky new look too). At least we're not all growing beards like the guys so it could be worse, right?

**TONIGHT'S ZOOM TOPIC:**

You get to invite three famous people for afternoon tea in your garden. WHO WOULD YOU INVITE? Celebrities? Historical characters? An Artist, author, musician? A politician - or a famous doctor, maybe? Hmm...get your thinking caps on and let's have some more Monday Night Fun.

I'll see you there. (I'm the one with the "Cruella de Ville" gray stripe.)

#### **DUES UPDATE**

August will be our last month for dues...unless and until we can sing together again. We will continue to pay regional and international dues on your behalf in the future if you have paid your dues for May, June, July, and August. (\$40, \$25, \$25, and \$25 – a total of \$115). Please mail the balance of your dues to Marjorie Falcon (11 Laurel Square, Manhattan Beach, CA. 90266). If you already mailed them to Lynn, no worries. If you paid more than the required amount and you don't want to donate the balance to the chorus, you may request a refund by emailing me at [falcon\\_marjorie@yahoo.com](mailto:falcon_marjorie@yahoo.com) and state the amount you believe is due back to you. Please don't phone me.

#### **AUDIT REQUIRED BY LAW**

Even though we are not able to meet as a chorus, we are still required to have our accounting books audited for the past fiscal year ending April 30, 2020. I will provide a bin containing all of the monthly income and expenses for each month, and documentation explaining each item. I can either drop it at your house for your review independently, or I can sit 6 feet away in a ventilated room with both of us wearing masks in order to answer any questions. In the past, this takes about two hours. Please let me know if you are able to do this audit by emailing me at [falcon\\_marjorie@yahoo.com](mailto:falcon_marjorie@yahoo.com). Please don't phone me.

#### **NO GREENERY SALE**

Because we are unable to meet in person, and because there is no need to raise funds for chorus operation, the Team Board has voted not to participate in the greenery sale this year.

### **From Alli**

I am still collecting cans, plastic bottles (including water and juice bottles) and glass bottles for recycling. If you drink Glucerna, Ensure, Premier Protein, etc - I can recycle these types of bottles as well. It is a different type of plastic from

water and juice bottles so please separate them. I really appreciate it when you separate the items. \*\*Glass Wine bottles are NOT accepted at recycling centers.

This is a great ongoing fundraiser for the chorus. Please drop off your cans and bottles at your convenience to my mom's house at  
2871 West 226th Street  
Torrance, CA  
No need to ring the doorbell. You can just leave your items at the front of the house.
