ANNOUNCEMENTS

Any announcement for this newsletter should be sent to Marta by 10:00 on Mondays to be included in that day's WUW (marta.bailey@att.net).

HAPPY BIRTHDAY TO THESE **AUGUST** LADIES!

3—Susan Warner, 11—Christina McQuirk, 15—Gini Gluck, 22—Susie Cox,
26—Laura Robinette, 30—Melissa Liebeskind

From Caroline

Yep. It's that time of year - even here by the beach it's feeling a bit deep southish: sweltering, humid, no breeze, all the fans going and the mosquitos busy trying to get in and bother us! This too shall pass. I mean, I really can't complain when it's getting up to 118 degrees further inland? I hope you're all staying cool, safe and sane!

Last Monday's Zoom topic generated some interesting ideas and fun conversation. Let's keep it going tonight - so many of us had additional guests we'd like to invite to tea, it was hard to narrow it down to just three. The range of characters and personalities on your lists was fascinating! And how thoughtful to suggest guests that might enjoy each other's company too - what a lovely bunch you are!

I get to be a (virtual) guest next weekend at an early 80th Birthday Tea for my mum. It's not her birthday until November but we had settled on late August thinking the weather would (hopefully) still be good enough to sit outside - plus, the unlikeliness of snow would guarantee attendance for all close family members. So Peter and I were supposed to be flying across the pond as we speak - and here we are in Redondo Beach, Groundhog Days continuing apace. Who would've thought? Crazy!!!

Technology drives me nuts but it's certainly keeping us all connected - hurray for that! I'll see you tonight - I might log in a few minutes late (I have a 5pm client appointment) so I'll catch up with you as soon as I'm free...

STAY COOL!

Cx

PLEASE NOTE Starting Monday, September 7th, which happens to be Labor Day, all of our **1st Monday of the Month Zoom meetings will be in an informal HAPPY HOUR.**

This will allow those that want to visit with chorus ladies to have some unstructured screen time together. The meeting will run itself when members sign on and will end when the last person leaves the meeting. There will be no time limits. Enjoy!

From Marjorie Falcon

DUES UPDATE

August will be our last month for dues...unless and until we can sing together again. We will continue to pay regional and international dues on your behalf in the future if you have paid your dues for May, June, July, and August. (\$40, \$25, \$25, and \$25 – a total of \$115). Please mail the balance of your dues to Marjorie Falcon (11 Laurel Square, Manhattan Beach, CA. 90266). If you already mailed

them to Lynn, no worries. If you paid more than the required amount and you don't want to donate the balance to the chorus, you may request a refund by emailing me at falcon_marjorie@yahoo.com and state the amount you believe is due back to you. Please don't phone me.

AUDIT REQUIRED BY LAW

Even though we are not able to meet as a chorus, we are still required to have our accounting books audited for the past fiscal year ending April 30, 2020. I will provide a bin containing all of the monthly income and expenses for each month, and documentation explaining each item. I can either drop it at your house for your review independently, or I can sit 6 feet away in a ventilated room with both of us wearing masks in order to answer any questions. In the past, this takes about two hours. Please let me know if you are able to do this audit by emailing me at falcon_marjorie@yahoo.com. Please don't phone me.

NO GREENERY SALE

Because we are unable to meet in person, and because there is no need to raise funds for chorus operation, the Team Board has voted not to participate in the greenery sale this year.

From Alli

I am still collecting cans, plastic bottles (including water and juice bottles) and glass bottles for recycling. If you drink Glucerna, Ensure, Premier Protein, etc - I can recycle these types of bottles as well. It is a different type of plastic from water and juice bottles so please separate them. I really appreciate it when you separate the items. **Glass Wine bottles are NOT accepted at recycling centers.

This is a great ongoing fundraiser for the chorus. Please drop off your cans and bottles at your convenience to my mom's house at
2871 West 226th Street
Torrance, CA
No need to ring the doorbell. You can just leave your items at the front of the house.
