26—Laura Robinette, 30—Melissa Liebeskind

From Caroline

Hi, Everyone!

So, here we are, heading into the dog days of Summer when, at our house at least, the nights feel as warm as the days, the garden is beginning to wilt, and Lucy dog gets too lazy to chase the squirrels. Hard to believe it'll be Labor Day in just a few weeks.

Hey, how about we keep up our annual tradition, "**It'll be ALL WHITE on the Night!**" for our Zoom Room get-together the Monday prior? In fact, I feel a whole "virtual" theme night coming on...hmmm, let me put my "Thinking Cap" on and see what we can do to make it an extra-fun evening. Stay tuned for more on that.

In the meantime, I'm assuming (as I haven't heard anything to the contrary) that you're all staying well and maintaining a safe distance from the dreaded virus? I'm feeling optimistic today, having just read in the morning news that scientists in the UK have apparently developed a Covid test with results in 90 minutes.

How cool would it be to have a reliable "insta-test" so that we could have ourselves checked in the late afternoon and, assuming a positive result, get together to sing that same evening? Okay, it's a ways off, but not beyond the realms of possibility. (The Barbershop Harmony Society tested quartet members prior to their performing together, in person, for a virtual show back in July, so I'm certainly living in hope!)

See your smiling faces tonight (and for those of you who check in via audio we'll hear your lovely voices). I love that so many of us are still enjoying popping "in" to say hello and have a chat!

Tonight we'll have another chance to show our favorite PET PHOTOS (via screen-share) plus catch up on a few other things. We'll also have a couple of guests from the Region who want to stop by and say hello: Laura La Borde (Finance Coordinator) and Jolene Liang (Communications Coordinator) so let's give them a warm welcome and show them that L.A. South Towns is definitely ALIVE and WELL :-)

That's it for now!

DUES UPDATE

August will be our last month for dues...unless and until we can sing together again. We will continue to pay regional and international dues on your behalf in the future if you have paid your dues for May, June, July, and August. (\$40, \$25, \$25, and \$25 – a total of \$115). Please mail the balance of your dues to Marjorie Falcon (11 Laurel Square, Manhattan Beach, CA. 90266). If you already mailed them to Lynn, no worries. If you paid more than the required amount and you don't want to donate the balance to the chorus, you may request a refund by emailing me at falcon_marjorie@yahoo.com and state the amount you believe is due back to you. Please don't phone me.

AUDIT REQUIRED BY LAW

Even though we are not able to meet as a chorus, we are still required to have our accounting books audited for the past fiscal year ending April 30, 2020. I will provide a bin containing all of the monthly income and expenses for each month, and documentation explaining each item. I can either drop it at your house for your review independently, or I can sit 6 feet away in a ventilated room with both of us wearing masks in order to answer any questions. In the past, this takes about two hours. Please let me know if you are able to do this audit by emailing me at falcon_marjorie@yahoo.com. Please don't phone me.

NO GREENERY SALE

Because we are unable to meet in person, and because there is no need to raise funds for chorus operation, the Team Board has voted not to participate in the greenery sale this year.
